#### HOW TO USE:

- Use in **any order**. You choose!
- Students **show what they know** by completing the simple sticker task. Then place the sticker on the Lesson or Writing Book page.
- **Award Stickers** such as "Best Ever" and "Super Wow" are specially designed for the final Certificate page in Lesson Books A, B, and C.

As students complete a piece, they may place an Award Sticker on the Certificate page of their Lesson Book. Students **build their own Certificate**, sticker by sticker, in recognition of each step of their musical journey.
