Quality Instruments

Looks can be deceiving.

Our repair specialists are seeing more and more poor quality instruments, therefore, if you think the price sounds too good to be true, it probably is. **Harknett Music** represents only the **finest quality instruments**. Our instruments look and perform to the industry's expectations. This means that you are guaranteed an instrument that will be a help, not a hindrance, to your son or daughter's musical education.

Our rental instruments are tested, serviced and cleaned to ensure each instrument is in excellent playing condition.

All mouthpieces are sterilized for the safety of the student. Each student should clean their instrument on a regular basis to ensure that it keeps playing well throughout the year.
